Dear Superintendent Brook:

I am writing to inform you that on June 29, 2017, the Committee on Accreditation, on behalf of the Commission on Teacher Credentialing, took action to maintain the accreditation status of California School for the Deaf as **Accreditation with Stipulations**.

The Committee on Accreditation removed two stipulations and retained two stipulations. Following are the remaining stipulations:

- California School for the Deaf must provide evidence of the implementation of a comprehensive program evaluation system involving program participants, completers, and stakeholders. The system must demonstrate the potential for assuring continuous program improvement.
- California School for the Deaf is to provide evidence that all support providers are provided with opportunities for professional development to support mentoring.

California School for the Deaf is to provide evidence addressing these stipulations such that the Committee on Accreditation can consider their removal at the November 2017 COA meeting. Please work with Bob Loux bloux@ctc.ca.gov addressing these stipulations.

In addition:

- California School for the Deaf is permitted to propose new credential programs for approval by the Committee on Accreditation.
- California School for the Deaf continues in its assigned cohort on the schedule of accreditation activities, subject to the continuation of the present schedule of accreditation activities by the Commission on Teacher Credentialing.

Should you or your staff have any questions relating to this action, you may address them to Cheryl Hickey, Administrator of Accreditation, at chickey@ctc.ca.gov.

Sincerely,

Mary Vixie Sandy, Ed.D.
