Dear Dr. Richards:

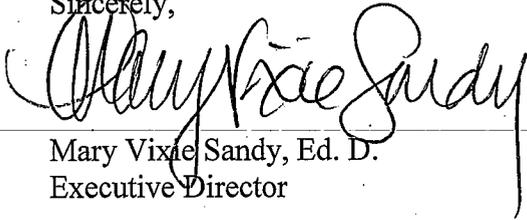

I am writing to inform you that on June 26, 2014, the Committee on Accreditation, on behalf of the Commission on Teacher Credentialing, issued an accreditation decision of *Denial of Accreditation* to Envision Schools and all of its educator preparation programs.

On the basis of this decision the Commission directs that the following steps take place:

- Envision Schools is to take immediate steps to close all credential programs at the end of the semester or quarter in which the June 26 decision by the Committee on Accreditation took place.
- That within 10 working days, Envision Schools is to notify all enrolled candidates that the COA has denied accreditation and that all credential programs will end at the end of the semester, quarter, or within 3 months of when the COA decision occurred. The Commission must receive a copy of this correspondence.
- Envision Schools is to file a plan of discontinuation within 90 days of the COA's decision. The plan must give information and assurances regarding Envision Schools' efforts to place currently enrolled students in other credential programs to provide adequate assistance to permit students to complete their particular credential programs.
- Upon the effective date of the closure of credential programs, as determined by the Committee on Accreditation, Envision Schools must remove from all institutional materials and websites any statements that indicate that its credential programs are accredited by the Commission on Teacher Credentialing.
- Envision Schools is prohibited from re-applying for institutional approval for a minimum of two years.

Should you or your staff have any questions relating to this action, you may address them to Cheryl Hickey, Administrator of Accreditation, at (916) 322-0695.

Sincerely,
