Dear President Knight:

I am writing to inform you that on June 27, 2013, the Committee on Accreditation, on behalf of the Commission on Teacher Credentialing, took action to maintain but revise the stipulation placed on Pacific Union College. As a result of the above action, the accreditation status of Pacific Union College will remain as *Accreditation with Stipulations*.

The stipulation was revised as follows:

The institution will develop and implement a systematic plan for faculty development in instructional technology and provide evidence that the candidates are provided with opportunities to practice and demonstrate the effective use of instructional technology to achieve student learning. The plan shall include clarification related to the staffing responsibilities related to this effort.

Should you or your staff have any questions relating to this action, you may address them to Cheryl Hickey, Administrator of Accreditation, at (916) 322-0695.

The Commission and its staff are grateful to Pacific Union College for its commitment to the preparation of professional educators.

Sincerely,

Mary Vixie Sandy, Ed.D.
