Dear Superintendent Williams:

I am writing to inform you that on June 26, 2014, the Committee on Accreditation, on behalf of the Commission on Teacher Credentialing, assigned the status of *Accreditation* to Palos Verdes Peninsula Unified School District and all of its credential programs.

On the basis of this decision, the institution is authorized to offer the following programs:

General Education (Multiple and Single Subject) Induction

In granting the status of *Accreditation*, the Committee on Accreditation requires the submission of a report that provides an update on the development and implementation of a plan to address the resource allocation issues identified in the accreditation team report. This update is due within one year from the date of the COA action.

In addition:

- The institution's response to the preconditions is accepted.
- Palos Verdes Peninsula Unified School District is permitted to propose new credential programs for approval by the Committee on Accreditation.
- Palos Verdes Peninsula Unified School District continues in its assigned cohort on the schedule of accreditation activities, subject to the continuation of the present schedule of accreditation activities by the Commission on Teacher Credentialing.

Should you or your staff have any questions relating to this action, you may address them to Cheryl Hickey, Administrator of Accreditation, at chickey@ctc.ca.gov.

Sincerely,

Mary Vixie Sandy, Ed.D.
