Dear President Qayoumi:

I am pleased to inform you that on March 14, 2012, the Committee on Accreditation, on behalf of the Commission on Teacher Credentialing, took action to remove the stipulations placed on San Jose State University. As a result of the above action, the Committee on Accreditation changed the accreditation status of San Jose State University from *Accreditation with Stipulations* to *Accreditation*.

As a condition of the removal of stipulations, San Jose State University is required to submit candidate level data no later than October 1, 2012, and again by October 1, 2013, to demonstrate that the program is addressing standards 7, 8 and 14 for each multiple subject candidate. This data will include those components such as placement information discussed with and agreed to by Dean Chin and the San Jose State University faculty.

Should you or your staff have any questions relating to this action, you may address them to Cheryl Hickey, Administrator of Accreditation, at (916) 322-0695.

The Commission and its staff are grateful to San Jose State University for its commitment to the preparation of professional educators.

Sincerely,

Mary Vixie Sandy  
Executive Director
