Washington Unified School District
930 Westacre Road

Dear Superintendent Gilleland:

I am writing to inform you that on April 24, 2014, the Committee on Accreditation, on behalf of the Commission on Teacher Credentialing, assigned the status of *Accreditation* to Washington Unified School District and all of its credential programs.

On the basis of this decision, the institution is authorized to offer the following program:

- General Education (Multiple Subject/Single Subject) Induction

In addition:

- The institution's response to the preconditions is accepted.
- Washington Unified School District is permitted to propose new credential programs for approval by the Committee on Accreditation.
- Washington Unified School District continues in its assigned cohort on the schedule of accreditation activities, subject to the continuation of the present schedule of accreditation activities by the Commission on Teacher Credentialing.

As a follow up to this accreditation visit, Washington Unified School District is required to include in its next regularly scheduled biennial report an update on the progress that has been made by the unit to refine the creation of its vision and apply a more uniform articulation of this vision across the induction program.

Should you or your staff have any questions relating to this action, you may address them to Cheryl Hickey, Administrator of Accreditation, at (916) 322-0695.

The Commission and its staff are grateful to Washington Unified School District for its commitment to the preparation of professional educators.

Sincerely,

Mary Vixie Sandy, Ed. D.
Executive Director
