Dear Superintendent Rossall:

I am writing to inform you that on May 1, 2015, the Committee on Accreditation, on behalf of the Commission on Teacher Credentialing, assigned the status of *Accreditation* to Westside Union School District and all of its credential programs.

As a condition of this action, Westside Union School District is to submit a 7th year report including the following:

- A plan for matching Support Providers and Participating Teachers within 30 school days of the candidate's first work day for the 2015-16 school year. An update on the implementation of this plan is to be provided in the institution's next Biennial Report.

On the basis of this decision, the institution is authorized to offer the following programs:

General Education (Multiple and Single Subject) Induction
Clear Education Specialist Induction

In addition:

- The institution's response to the preconditions is accepted.
- Westside Union School District is permitted to propose new credential programs for approval by the Committee on Accreditation.
- Westside Union School District continues in its assigned cohort on the schedule of accreditation activities, subject to the continuation of the present schedule of accreditation activities by the Commission on Teacher Credentialing.

Should you or your staff have any questions relating to this action, you may address them to Cheryl Hickey, Administrator of Accreditation, at chickey@ctc.ca.gov.

Sincerely,

Mary Vixie Sandy, Ed.D.
